By: /s/ Brad Mulcahey

Name: Brad Mulcahey

Title: Chief Financial Officer and Treasurer

Forward Looking Statements

This presentation has been prepared by Bowhead Specialty Holdings Inc. ("we," "us," "our," "Bowhead" or the "Company") on a confidential basis for the exclusive use of the party to whom Bowhead delivers this presentation.

This presentation has been prepared by Bowhead for informational purposes only and not for any other purpose. Nothing contained in this presentation is, or should be construed as, a recommendation, promise or representation by the presenter or Bowhead or any officer, director, employee, agent or advisor of Bowhead. This presentation does not purport to be all inclusive or to contain all of the information you may desire. Information provided in this presentation speaks only as of the date hereof. Bowhead assumes no obligation to update any information or statement after the date of this presentation as a result of new information, subsequent events, or any other circumstances. We request that you keep any information at this meeting confidential and that you do not disclose any of the information to any other parties without the Company's prior express withen permission.

This presentation contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, All statements other than statements of historical facts contained in this presentation, including statements regarding our future results of operations or financial condition, business strategy and plans, and objectives of management for future operations are forward-looking statements. Some of the forward-looking statements can be identified by the use of terms such as "believes", "expects", "rang", "ulli," should," could," seeks, "intends", "plans", "plans", "should," could," seeks, "intends," plans", "plans", "should," could," seeks, "intends," plans", "plans," and "policy statements that are not related to present facts or current conditions or that are not intended at mattered to present facts or current expending our intentions, beliefs or current expending our intentions, statements are related to present factors of which are beyond our control. Our actual results may differ materially from those expressed in which in the program of the expension of the provided of the program of the expension of the provided of the pr

Unless otherwise indicated, information contained in this presentation concerning our industry and the markets in which we operate, including our general expectations, market position and market oposition and market operatorily, is based on our management's estimates and research, as well as industry and general publications and research, surveys and studies conducted by third parties, Industry publications, studies and surveys generally state that they have been obtained from sources believed to be reliable, although they do not guarantee the accuracy or completeness of such information. We believe that the information from these third-party publications, research, surveys and studies included in this presentation is reliable. Management's estimates are derived from publicly available information, their knowledge of our industry and their assumptions based on such information and knowledge, which we believe to be reasonable. This data involves a number of assumptions and limitations which are necessarily subject to a high degree of uncertainty and risk due to a variety of factors. These and other factors could cause our future performance to differ materially from our assumptions and estimates.

This presentation contains references to our trademarks and service marks and to those belonging to other entities. Solely for convenience, trademarks and trade names referred to in this presentation may appear without the 8 or TM symbols, but such references are not intended to indicate, in any way, that we will not assert, to the fullest extent under applicable law, our rights or the rights of the applicable leicnsor to these trademarks and trade names. We do not intend our use or display of other companies' trade names, trademarks or service marks to imply a relationship with, or endorsement or sponsorship of us by, any other companies.

'Non-admitted" or excess and surplus ("E&S") lines refers to policies generally not subject to regulations governing premium rates or policy language. We also consider insurance written on an admitted basis through either the New York Free Trade Zone or similar commercial deregulation exemptions available in certain jurisdictions, and as a result free of rate and form restrictions, to be E&S business.

This presentation contains certain financial measures that are not presented in accordance with generally accepted accounting principles in the United States ("U.S. GAAP"). Under U.S. securities laws, these measures are called "non-GAAP financial measures." We use these non-GAAP financial investment of the presentation in the presentation of the presentation of the presentation in the presentation is not wished to our underlying business performance. You should not rely on these non-GAAP financial measures are useful in evaluating our business, this information useful insight into our underlying business performance. You should not rely on these non-GAAP financial measures are useful in evaluating our business, this information should be considered supplemental in nature and is not meant to be an alternative to our reported results prepared in accordance with U.S. GAAP financial measures in our industry, may calculate such measures differently, which reduces their usefulness as comparative measures. For a reconciliation of such measures (measures in which the necessary information is not available and cannot be obtained without unreasonable efforts). Use CAAP financial measures are useful in evaluating our performances with the necessary information and the presentation.

Our key investment highlights

- 1) Focused on profitable, growing lines in attractive E&S market
 - 2) Strong underwriting culture with fully-integrated and accountable value chain
 - Ability to deliver differentiated profitability across market cycles

- 4) Deep, long-standing distribution relationships based on expertise, service and mutual benefit
- 5 Highly experienced and entrepreneurial management team
- 6 Clean balance sheet with no reserves from accident years prior to 2020
- 7) Commitment to long-term value generates strong returns, making us well-positioned for continued growth

Bowhead: Who we are

Growing and profitable E&S focused specialty P&C business founded and led by industry veteran, Stephen Sills, and supported through a strategic partnership with American Family Mutual Insurance Company, S.I. ("AmFam")

Underwriting-first

culture led by people with proven track records

"Craft"

solutions in attractive markets with strong tailwinds

<u>Sustainable</u>

underwriting across market cycles

Bowhead: By the numbers

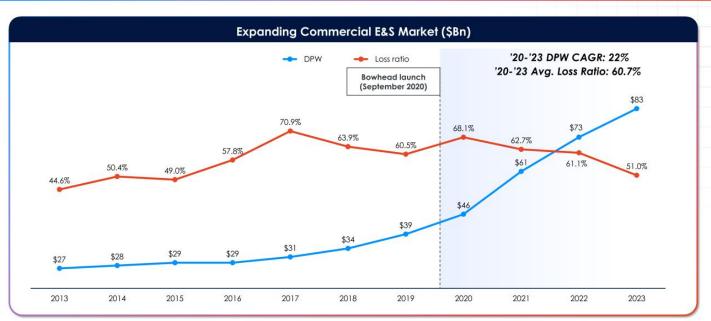

Note: Last twelve months ("LTM") ended June 30, 2024; 2 Combined ratio for the six months ended June 30, 2024 was comprised of a 45.5% loss ratio and a 33.2% expense ratio. The loss ratio is based on loss picks informed by industry data rather than only using internal data from our limited operating history. Movement in loss ratio from last year reflects a shift in the mix of our business to a greater percentage of our book being in Casualty, where industry loss ratios have deteriorated. We did not take down any reserves, nor diverged to the experience of the state of the expension of remaining stock-based compensation costs associated with monogement's profit interest through operating expenses." YTD June 2024 adjusted CRS adjusted for CRS adjusted for the sx months rather than one divided by the overage of nezarative and stockholders equity as of Decembers 13, 2023 and June 30, 2024, and 19, 2024, adjusted not stockholders equity on the system of the six months rather than one of the sx months rather than

8

Strong underwriting culture with fully-integrated and accountable value chain

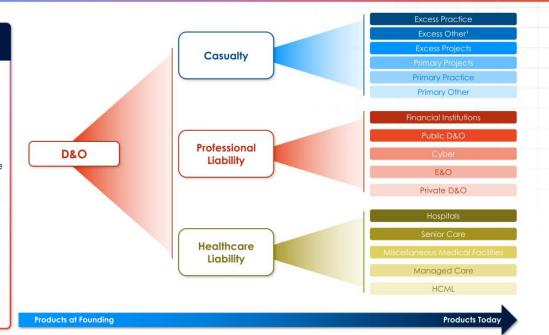

- We <u>do not delegate underwriting to</u> <u>outside parties</u>, which is a key component of our fully-integrated model
- Our unique platform allows us to deliver <u>our custom solutions to clients</u> <u>while consistently generating</u> <u>underwriting profit</u> within our business

Ability to deliver differentiated profitability across market cycles

Underwriting matters—and is our key value proposition

- Highly experienced team with previous leadership positions at leading insurance companies
- Specific subject matter experts with proven track records of generating underwriting profits within the lines they write
- Created primary capabilities across all our products as part of cycle management strategy
- Strong and disciplined underwriting culture built around rigorous analytical tools ("BRATs") and crossfunctional collaboration ("Roundtables")

Note: 1 Excess Other includes Public Entity

Clean balance sheet with no reserves from accident years prior to 2020

Free from legacy reserves

- Diversified and attractive specialty P&C portfolio with no catastrophe exposure
- Reflects continuously favorable rate environment with no business or reserves from pre-2020 accident years

Prudent financial profile

- No debt outstanding and no intangibles
- 400%+ RBC ratio as of 12/31/2023
- All reinsurers have A.M. Best rating of "A" or better as of 06/30/2024

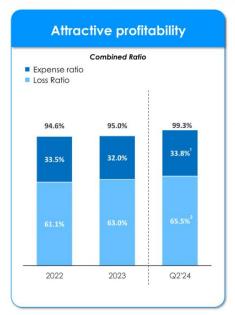

Conservative investment portfolio

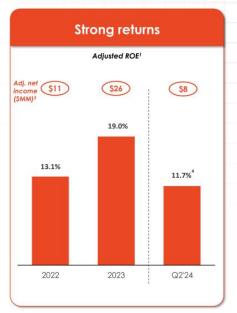

- 100% cash, short-term investments and investment grade portfolio with no equity or alternative investment risk
- Fixed income book and market yields of 4.7% and 5.5% respectively as of 06/30/2024
- Weighted average effective duration of ~2 years and an average credit rating of "AA+" as of 06/30/2024

BOWHEAD

Robust growth and commitment to long-term value creation

Note: Expense ratio for the three months ended June 30, 2024 was impacted by the continued investment in our business and a \$1.3 million acceleration of remaining stock-based compensation costs associated with management's profit interest through operating expenses: ² Loss ratio for the three months ended June 30, 2024 are based on loss picks informed by industry data rather than only using internal data from our limited operating history. Movement in loss ratio from last year reflects a shift in the mix of our business to a greater percentage of our book being in Casually, where industry loss ratios have deletiorated. We did not take down any reserves, nor did we experience any loss activity in excess of our own expectations: "Non-GAAP financial measures. See "Non-GAAP industrial measures." Well-positioned for continued growth

Bowhead's long-term growth strategy balances existing "craft" underwriting strategy with "flow" business launched in 2024

Bowhead ("Craft")

Individual, custom underwriting of large, complicated risks

- 100% of existing book
- Go-to-market brand: Bowhead Specialty
- Lines: Casualty, Professional Liability and Healthcare Liability
- · Distribution: Wholesale and retail
- Paper: Admitted and non-admitted
- Underwriting-first culture
- · Expertise-driven, customized approach for each risk
- Individualized underwriting with collaborative roundtables

Baleen ("Flow")

Streamlined underwriting of small, hard-to-place E&S risks

- New capability launched late in Q2 2024
- · Go-to-market brand: Baleen
- Products: Launching our Minimum Viable Product, General Liability for contractors
- · Distribution: Major wholesale partners
- · Paper: Non-admitted
- · Maintain 100% control of underwriting; no delegated authority
- Set clear appetite and rules criteria during product development
- Straight-through processing delivers instant quotes

Growth levers for both "craft" and "flow" business

Grow market share through superior industry relationships

Benefit from rate increases in some lines Expand account size and/or geographic appetite as market allows

Add new distribution relationships Develop new products within existing lines Enter new lines/markets by hiring subject matter experts
